

Cell Project *Application & Agreement Form*

*******This form is due Friday, January 17th*******

Name: _____

Period: _____

Project Grade: (check one) A project _____
Due: Fri. 1/31

B project _____
Due: Mon. 2/3

C project _____
Due: Fri. 2/7

Cell category: (check one) Animalia _____

Plantae _____

Student Consent:

I have read through the cell project description and understand what I am required to do.

I understand the project is due _____, and I will work hard and ask questions to make sure I complete it on or before the due date. I understand I am allowed to change which grade project I want to do and I know it is my responsibility to notify Mrs. KP before its due date. I am allowed to turn my project in a day early for 2 bonus points. I lose 2 points each day it is late. If I sign up for a project and turn it in without meeting the requirements, it will be graded as the project it best fits, but it will be late. For example I sign-up for an "A" project and turn in a "B" project, it will be graded as a "B" and marked off for being late.

Student Signature: _____ **Date:** _____

Parental Consent:

I have read through the cell project description and understand what my son/daughter is required to do.

I understand the project is due _____, and I will help my child complete project before or on due date. I understand my son/daughter is allowed to change which grade project to do and I know it is my son/daughter's responsibility to notify Mrs. KP before its due date. He/she is allowed to turn the project in a day early for 2 bonus points. He/she will lose 2 points each day it is late. If he/she signs-up for a project and turns it in without meeting the requirements, it will be graded as the project it best fits and it will be late. For example he/she sign-up for an "A" project and turn in a "B" project, it will be graded as a "B" and marked off for being late.
